

“Sheriff’s Office Sex Offender Registry Unit address verification results for July 2017”

Westminster, Carroll County, Maryland; July 17, 2017 ---- During the timeframe of June 5th through the 11th, 2017, the Carroll County Sheriff’s Office Sex Offender Registry Unit conducted address verification operations. Address verification occurs monthly in an effort to ensure the integrity of the registry. With a list of offender addresses gathered from those who are due to re-register the following month, Cpl. McMillen, supervisor of the Carroll County Sex Offender Registry Unit, set out to make contact with the offenders to ensure the correct addresses are on file.

This operation makes use of funds from the Federal Sex Offender Compliance Grant. Cpl. McMillen responded to a total of 25 offender addresses, with the operation confirming 20 addresses as positively verified, and 5 addresses that were not able to be confirmed during this operation. There were no violations discovered.

Addresses that were not confirmed during this operation will be checked by Cpl. McMillen as time permits throughout the remainder of the month. Any addresses still unchecked by the following month will be added to the new list for future address verification operations.
