Family Visiting Schedule –

1. Inmates are allowed one (1) twenty (20) minute visit per week as scheduled. Visitation will be by appointment only. Inmates will contact their family and friends to notify them of the specific date and time for their visit. Visitors must be on the inmates approved visitation list and should arrive 15 minutes prior to their scheduled time. No time extensions will be given for late or missed appointments. Exceptions to the visiting schedule must be authorized by the Warden/designee. Inmates serving weekend sentences are not authorized visiting privileges. Legal and pastoral visits for weekenders are handled on a case by case basis.
2. If a visitor becomes disorderly, prior to or during the visit, the visit will be denied or terminated. No Cell Phones, Tablets or Cameras are permitted during visitation. Visits will be terminated for violation of any facility rules and regulations
3. Clothes are not accepted during visitation appointments.
4. Property Releases are not accepted during visitation appointments

Professional Visiting - Attorneys and clergy are authorized to visit anytime between the hours of 9 a.m. - 8 p.m. Professional visits are not counted against the personal visits. Attorneys and clergy are allowed to consult with inmates in a private and confidential room. In order for Clergy to make a professional visit, they need to be approved by the Detention Center chaplain, 410-386-2606.

Security Procedures (Entering the Secure Area of the Detention Center)

1. Prior to entering the facility, visitors are required to secure any restricted items in the lockers located in the visitation waiting area. Visitors required to secure restricted items will receive a key from the control officer designated for a specific locker in the waiting area. Visitors will retain the issued key until they exit the secure portion of the facility and retrieve their personal items. The control officer will ensure the key is returned by the visitor.
2. Visitors entering through door #102 are required to pass through the security metal detector. When necessary a secondary scan is conducted with the handheld Garrett Super Scanner. In situations where visitors entering the facility are disabled and unable to pass through the metal detector, officers will scan the individual with the handheld Garrett Super Scanner.
3. Visitors entering the secure portion of the facility may include but are not limited to the following: attorneys, clergy, volunteers, service personnel, etc. Visitors will be required to present valid photo identification before entering.
