

“Sheriff’s Office traffic stop leads to arrest for CDS Possession with Intent to Distribute”

Finksburg, Carroll County, Maryland; October 1, 2026 ---- On Wednesday, September 30th, 2026, at approximately 9:58 AM, members of the Pro-Active Community Enforcement (PACE) Team were conducting traffic enforcement on Baltimore Boulevard when they observed a Chevrolet Malibu bearing Pennsylvania registration travelling westbound from Baltimore County into Carroll. The vehicle was observed to have extremely dark tint and had failed to stop for a steady red signal at the intersection of Emory Road.

A traffic stop was initiated and the vehicle stopped in the area of Rt 140 and Emory Road. PACE units made contact with the sole occupant and operator of the vehicle. The male subject advised he did not have a physical license with him and provided a name and date of birth, which was determined to be fictitious. Through further investigation, the subject was identified as Geoffrey O Dan DAVIS, a 40-year-old male with a Pennsylvania address. He was found to have 2 active warrants out of Adams County, Pennsylvania.

A K9 scan of the vehicle was requested which resulted in a positive alert for the odor of CDS.

During the subsequent search of the vehicle and operator, approximately 67 grams of suspected Cocaine, a digital scale, US currency (\$240.00), and a cellular phone were discovered and secured as evidence.

Geoffrey O Dan DAVIS was arrested and transported to Carroll County Central Booking where he was charged with offenses related to the possession and intent to distribute CDS, and false identification. He currently remains in custody at the Carroll County Detention Center.

(All individuals are presumed innocent of the pending charges until proven guilty in a court of law)
